PRIZE LISTS SENT TO BOYS AND GIRLS

AGRICULTURAL AND DOMESTIC BULLETIN IS ISSUED.

SHOW HERE OCT. 23,24,25

Emphasis Placed on Corn Growing and Home Work Exhibits—$50 Offered for Best 50 Ears.

The bulletin announcing the annual contest of the Nodaway County Agricultural and Domestic Science Association was issued today by Bert Cooper, county superintendent of schools. The show will be held October 23, 24 and 25 in Maryville. The greatest emphasis is placed on the corn growing and domestic science exhibits, although there are also general classes for exhibits of grains, seeds, vegetables and fruits, not to speak of comb honey, cream cheese, butter, best notebook on vitalized agriculture and best compositions on "Cold Pack Canning" and some phase of this year's work in vitalized agriculture.

Entrance in all classes, except the general classes and the farmers' and corn breeders' class, is limited to those regularly enrolled in the association. In the corn growing contest for boys and the domestic science class, the contestants must be between 15 and 20 years old. The general classes are open to all boys and girls, men and women, of Nodaway County. The farmers' and corn breeders' contest is open to the State of Missouri.

Exhibits May Be Kept.

All exhibits, except sewing, may become the property of the association. Enrollment blanks will be furnished upon application. Free literature on seed corn selection, preparation of ground, cultivation of crop and caring for crop will be mailed to all who enter the contest.

In the boys' corn growing contest, $10 is the sweepstakes prize for the best ten ears of corn. Five prizes in each class, running from $10 down to $1, are offered for the best ten ears of yellow corn and the best ten ears of white corn; class A is for boys from 10 to 14 years old; class B for those from 15 to 20.

Other classes are for the best single ear and also for winners of first prizes in previous shows. Prizes of $5, $3, $2 and $1 are offered for corn judging.

Two Places in Domestic Science.

First and second prizes only are offered in the domestic science work. These range from $4 and $2, offered for the best loaf of bread baked by a girl between 15 and 20, to $1.50 and 50 cents, offered for textile darning on a garment. The rural school having the largest exhibit of vitalized agricultural work will win $10.

In the farmers' and corn breeders' contest, the first prize for the best fifty ears of white or yellow corn, any variety, is $50. The best ten ears of Yellow Dent will win $10; of White Dent, $10; of any variety, $5.

Those desiring further information are advised to write or call any member of the executive committee at Maryville. The members are: Joseph Jackson, Jr., Paul Sisson, George A. Pickens, L. F. Metzler, James B. Robinson, and G. L. Wilfley. Miss Hettie Anthony is director of the domestic science department. Bert Cooper is manager and E. E. Williams is secretary and treasurer.

Judge Jesse Robertson has purchased the residence of John Behm on South Main street. The consideration was $6,500. The sale was made through G. B. Holmes.

GAYNOR DISTRICT ELECTS A PRINCIPAL AND BOARD

A meeting of the citizens of the Gaynor school district held yesterday made final arrangements for the organization of a two-year high school.

Miss Lela Cox of Grant City was elected principal of the high school. She is a university graduate, well qualified for the work.

The new school board is composed of the following members: William Sparks, president; Austin King and Frank Barton. Grant Munn is the new secretary-treasurer.

TWO MORE SUITS FILED FOR NEXT CIRCUIT COURT

Two suits were filed with the circuit clerk late Saturday. Charles H. Wilson brings suit against George B. Baker for breach of contract. The plaintiff alleges that there is due him from the defendant $323 on a land sale deal.

Minnie Allison and George E. Allison are plaintiffs in a suit brought against Leonard Whitten, et al. for partition of a property in Hopkins which is owned by the two parties in partnership.

COMETS WHIP CLEARMONT IN NINTH BY COUNT OF 7 TO 6

A small crowd had to stay until the last half of the ninth inning at the fair grounds yesterday in order to see the Maryville Comets whip the Clearmont team 7 to 6 in a see-saw game of baseball. A week ago at Clearmont the score was 9 to 3 in favor of Maryville.

With the score 6 to 6, Hise was first at bat for Maryville in the ninth. He walked. Bleuel went out on a foul fly to first base. Then Phillips hit safely to left field and when the ball got away from the fielder, Hise scored, although the decision was close on an excellent, though tardy throw-in.

Ryan started pitching for Maryville, but lasted only three innings. Maryville got one score in the first through a passed ball, but the third was a large inning. Clearmont counted five times, on a timely combination of hits and errors, and then Maryville made three tallies on a flock of hits, including a two-bagger by H. Buhler and a three-bagger by H. Black.

Maryville tied the count at 5-all by making one in the fifth; then Clearmont added another in the sixth and Maryville again tied it up in the last half of the same inning.

In the eighth, Clearmont got men on second and third, with no outs. Bleuel settled down and succeeded in disposing of the next three batters without allowing a score.

The lineup:

Clearmont—Newlon, 2b; Davis, ss; T. Lewis, lf; Caywood, c; Still, rf; Connors, p; Bayley, 3b; F. Lewis, 1b; Brownfield, cf.

Maryville—Phillips, 1b; H. Buhler, 2b; C. Black, cf; H. Black, c; Conley, ss; Scott, lf; P. Buhler, 3b; Hise, rf; Ryan, p; Bleuel, p.

Manager Black expects to have the unbeaten Tarkio team here for a game next Sunday. The small crowd yesterday discouraged the Maryville pilot a trifle, but he says that he means to have games here all through September if the attendance justifies the continuance of the team.

Maryville's record this season at home is eight won and four lost; away from home, three won and one lost. This is a percentage of .687.

POLICEMEN MAY BE ARRESTED IN CONNECTION WITH RIOTS

Chicago, Aug. 25.—The arrest of several policemen was forecast in the investigation which the state's attorney is making on the police department, after his charges Saturday that the recent race riots were due to cheap grafting and petty politics. One policeman is in jail, charged with having accepted $800 of a slush fund raised by the negroes of the black belt for the prosecution of negroes engaged in the rioting.

Judge Dawson Sells Property.

Judge John M. Dawson has sold his residence property on East Sixth street to Joseph W. Wallace of this city. Possession will be given September 15.

200 KNIGHTS OF COLUMBUS BANQUET

VISITORS FROM OUT OF TOWN ATTEND LOCAL INITIATION

C.W. YEHLE TOASTMASTER

Several Addresses Made—Thirty-five Members Received Three Degrees of Order

Two hundred members, old and new, of the Knights of Columbus banqueted at the Bainum Hotel from 7 o'clock until 10:30 last night. The occasion was in the nature of a welcome for the thirty-five members initiated yesterday in three degrees.

C. W. Yehle was toastmaster and master of ceremonies. After a prayer by Rev. Fr. Joachim of Conception and an address of welcome, Mr. Yehle took up the proposed improvements for the St. Francis hospital. Mr. Yehle spoke of the importance of the hospital in conserving the health of the people of the community and the devotion of the sisters. He said that the Commercial Club had recognized the importance of the institution and had voted to give its wholehearted support to the campaign for raising funds for the extension and improvement of the equipment of the hospital. He asked the co-operation of the entire body of the Knights of Columbus with the sisters in their campaign for funds.

The next speaker on the program was Luke E. Hart, state deputy of the Knights of Columbus. Mr. Hart spoke of the work of the order in the recent war and of its plans for the future. He complimented the loyal support of the local order and congratulated the old members upon the success of their campaign for new members.

Father Joachim made an impressive talk. He urged the members to greater efforts in the future.

J. J. Tushaus of St. Joseph, district deputy of the Knights of Columbus, made the final talk of the evening. He confined his remarks largely to matters dealing with the strengthening of the organization and the perfecting of its ideals.

Music was furnished by Schumacher's orchestra. Misses Anna Collins and Bess Scott sang several solos specially selected for the entertainment. Ralph Yehle gave violin selections.

HENRY HAWK TAKEN TO JAIL IN GRANT CITY

The following is from Saturday's St. Joseph News-Press about Henry Hawk, who is well known here:

Henry Hawk, in custody of J. B. Matteson, deputy sheriff of Worth county, and with his hands in "cuffs" and his legs in shackkles, was brought into central police station this morning for safekeeping until this afternoon, when he will be taken on to Grant City, Mo., where he is wanted for breaking jail. He was arrested at Plattsburg, Mo., with tho others for investigation in connection with the theft of a motor car.

Hawk escaped from the Worth county jail July 4. It was broad daylight when a jailer brought him his dinner; the door was open, so Hawk just knocked the jailer down and left, it is charged. He had only been in the jail a week, having been brought back from Oklahoma at his own request, after seeing a celimate beaten insensible.

While Hawk was in the jail at Plattsburg with his two companions—one of them "Pewee" Jackson, a St. Joseph boy—a jail break was attempted. A hole was made in the wall of the cell, and Jackson was in the act of going through it when he was hit on the head with a brick thrown by a guard. Jackson was knocked unconscious, and when he fell he so blocked the hole that no one could get by him. The authorities at Plattsburg were unable to "get anything on" the three men.

Hawk has been arrested many times by the St. Joseph police, but so far nothing has ever been proved against him. He is considered one of the slickest "operators" in this part of the country, and his favorite way of passing the time when locked up at central is to joke the police officers about their inability to "frame" him.

Mr. and Mrs. W. J. Wilson and Misses Lucy and Mildred Kienzel returned Saturday night from a week's visit in Kansas City and St. Joseph. The Misses Kienzel also visited in Independence as the guests of Miss Kogie Davis.

CONGRESS EXPECTS TO GRANT $2,400,000 TO FIGHT PRICES

Appropriations Committee, However, May Refuse Other Departments Money

Washington, Aug. 25. — Attorney General Palmer will be granted a fund of $2,400,000 with which to fight the profiteers, but the requests of the departments of labor, commerce and agriculture for special funds will be turned down by congress, according to members of the House appropriations committee today.

MAYOR AN ENGINEERING GENIUS

SAVES LONG DROUTH IN CITY BY EMERGENCY INVENTION.

WATER OFF SEVEN HOURS

Nut Stripped From Pump Valve Is Heated to High Temperature and Shrunk Back into Place.

By an unusual feat of emergency engineering on the part of Mayor W. O Garrett and his workers at the city pumping station this morning, a prolonged drouth for the users of the city water system was prevented.

About 2 o'clock this morning a nut that holds the valve on the water end of the big pump at the station was stripped completely off, and the pump ceased to function. The mayor was called from his bed at 4 o'clock to the scene of the trouble and immediately began to use his inventive genius to remedy the disabled piece of machinery.

After turning over various possibilities in his mind, he struck upon an idea. This was to heat the nut to a high temperature, thrust it upon the end of the valve and let it cool in that position. It was tried. In the process of cooling the nut shrunk to such a degree that it became firmly fastened upon the valve end, so firmly that it will be almost impossible for it ever to slip off again.

At 9:30 o'clock this morning the water was turned on again. The mayor says that, unless trouble breaks out in some unexpected place, the machinery will hold out until the improvements are installed.

The city hall telephone was busy for a long time this morning. Everybody wanted to know what had happened to the water.

BANQUET FOR FRATERNITY MEN TO BE HELD TONIGHT

A Pan-Hellenic banquet will be held at 8 o'clock tonight at the Bainum Hotel. Practically every fraternity man in Maryville will be in attendance, together with a few from nearby communities.

The committee in charge has met with a marked success in all its solicitations. Although the banquet will be of an informal get-together affair, a short program has been arranged, with Dr. F. R. Anthony presiding as toastmaster.

The program is as follows:

1. "Fraternities: Are They Democratic or Undemocratic?" — W. N. Deatherage.
2. "Reminiscences and Campus Escapades"—Free for All.
3. "Importance of Pan-Hellenic Organization"—Fred Wolfers.
4. Discussion.

The following "Greeks" will be in attendance:

Beta Theta Pi—Fred Wolfers, Robert Wolfers, Bruce Montgomery, Howard Martin.

Delta Tau Delta—W. N. Deatherage.

Kappa Sigma—Forrest Gillam, Harold Ryan, Earl Miller.

Pi Kappa Alpha — Halley Ford, Philip Colbert.

Sigma Alpha Epsilon—Clifford Coile, Rolla Howden.

Sigma Nu—Ira K. Richardson, Arthur Noid.

Phi Gamma Delta—Jesse Miller, Jr., Clarence Vogt, Byron Costello.

Phi Delta Theta—F. R. Anthony.

Phi Kappa Psi — Eugene Yehle, Claude Glass.

Alpha Kappa Kappa — John Owen Murrin.

Atlas—W. W. Turner.

Sigma Delta Chi — Charles Kane, Herschel Colbert.

Kappa Phi—Loren Price.

Phi Beta Pi—Dr. Charles T. Bell, Ruskin Hawkins.

Psi Omega—Dr. Jesse Miller, Dr. D. J. Thomas.

HE HAS FOUR GOLD SERVICE STRIPES

COUNT 'EM ON SLEEVE OF DR., NOW CAPTAIN, C. M. CLINE

26 MONTHS OVERSEAS

Maryville Veterinarian Started Out With First Division—Hopes to Resume Practice Here

Maryville is getting its first glimpse of four gold service stripes today, when Dr. C. M. Cline—beg pardon, Captain Cline—is visiting Dr. James Felix, with whom he was associated before joining the army. Doctor Cline, a resident of Maryville from 1910 to 1917, has been twenty-seven months in service, all but one month of them overseas.

Doctor Cline was commissioned a second lieutenant in the United States veterinary service at Fort Sam Houston, Texas, June 1, 1917. He reported to the Fifth Field Artillery of the First Division and went overseas with that organization in July, 1917. He went to the front as a veterinarian with the first battalion of the First Division in October, 1917, and spent five months at the front.

In February, 1918, Doctor Cline was assigned to the first American veterinary hospital at Neufchateau, where he did surgical work for several months. He went back to the front for two months in the spring. Later he was a veterinarian with the remount service until August. Then he transferred to headquarters at Tours as assistant chief veterinarian of the A. E. F.

Still later he was transferred to the advanced veterinary hospital, the largest in France, where he was made captain. He skipped the customary first lieutenancy. This hospital had a capacity of 3,500 horses, but frequently 5,000 were accommodated. Captain Cline commanded there nine months.

From this post, Captain Cline went to headquarters at Paris for two months. He sailed the ninth of August from Brest, landed August nineteenth, is now in Maryville on leave, and will be discharged from the army about September 4 at Camp Dodge, Des Moines, Ia.

Captain Cline expects to return to Maryville to resume his practice as a veterinarian.

As a traveler, the Maryville man won laurels. He has been in France, Germany, Italy, Sicily, Spain, Belgium, Scotland, Ireland and England. He sailed from Liverpool, England, but his ship, the Niederlander, was ordered back to France so that the sailors might have their customary ten-day vacation before their final voyage. Capt. Cline, when he sailed from Brest, saw the ships ready to bring the First Division, the last American division, home from France.

MRS. HARRIETTA HUNT DIED AT 9 O'CLOCK LAST NIGHT

Death Comes to Aged Woman at Her Daughter's Home, Mrs. Willis Wilcox of Orrsburg

Mrs. Harrietta Hunt, aged 90 years, died at the home of her daughter, Mrs. Willis Wilcox, living near Orrsburg, at 9 o'clock last night. Failing health, due to her age, was the cause of her death.

The funeral services will be held tomorrow morning at 11 o'clock at the home of Mrs. Willis Wilcox. The Rev. R. C. Green of the Harmony church will officiate at the services.

Mrs. Hunt is survived by five children, four of whom were at her bedside at the time of her death. They are: Mrs. Willis Wilcox of Orrsburg; Mrs. Alfred Hunt, Orrsburg; Virgil Hunt, Ravenwood; Mrs. Ida Case of St. Joseph, and Morton Hunt of Colorado. Mrs. Ida Case was unable to reach the bedside of her mother before her death and will not be present at the funeral services.

WESTERN COAST RAILROAD STRIKE BECOMES ACUTE

Los Angeles, Cal., Aug. 25—All steam railroad transportation in and about Los Angeles was at a standstill today with the exception of three overland trains from the East which railroad officials hoped to get into the city before midnight. Not a passenger or a freight train has moved, and the congestion rapidly is becoming acute. The strike was said to have extended as far east as Needles, Ariz., with the possibility of its extending farther east.

RURAL TEACHERS' MEETING TO BEGIN HERE TOMORROW

2-Day Sessions Will be Held at High School — County Boards Gather, Too

All is in readiness for the annual two-day session of the teachers and school boards of Nodaway county, which will be held at the high school building in Maryville, beginning at 9:30 o'clock tomorrow morning. The principal addresses will be made by Superintendent W. M. Oakerson of the Jefferson City schools, formerly Nodaway county superintendent; by Dr. Ira Richardson, president of the State Teachers College, and by Dean G. H. Colbert of the State Teachers College.

This is the big educational conference of the year for the rural teachers. The members of the county school boards will meet with Superintendent Bert Cooper the first day only.

GEORGES G. QUIET, RENEGADE FRENCHMAN, UP FOR TREASON

Paris, Aug. 25—One of the most sensational trials growing out of the war was scheduled to start here today with the arraignment of M. Georges G. Quiet, renegade Frenchman, before a court martial for denouncing the nurse, Edith Cavell, to the Germans in Belgium. The specific charge against Quiet is treason.

THIRD DIVISION BOYS ARRIVE.

Word has been received of the arrival in the states of two Nodaway county boys who have been in service since the summer of 1917. Sgt. Chas. F. Hoshor, Co. I, 4th Infantry, Third Division, landed at Newport Saturday, according to a telegram received by his parents that afternoon.

Ray O'Grady, son of Mr. and Mrs. Dan O'Grady, living west of Maryville, has sent word of his arrival at Camp Merritt Saturday. He was a member of the 3rd division. Several other fellows who joined the army about the same time that these fellows did and were in the Army of Occupation with them, but from whom no word has been received yet, are Ralph Folden, Garland Hedrick, Lester Swearingen, Loren Bagley and John Gaa.

Oakersons Visit Here.

Prof. and Mrs. Wm. Oakerson and little daughter, Frances Katherine, of Jefferson City, who have been visiting Mrs. Oakerson's father, George Hartman, and other relatives, will leave tomorrow afternoon for their home. Prof. and Mrs. Oakerson and daughter spent last week in Skidmore with his parents, Mr. and Mrs. A. T. Oakerson, and also visited his brother, A. L. Oakerson, and family, near Maryville. Prof. Oakerson is superintendent of the Jefferson City schools.

Mrs. Helen Hopkins and Miss Carrie Hopkins left this afternoon for Excelsior Springs where they will spend ten days. They were accompanied as far as St. Joseph by Charles Hudson and son, Charles, of Norfolk, Nebr., who will visit Mr. and Mrs. A. A. Hopkins.

Walter Wray of Ada, Okla., who has been spending a week here with his parents, Mr. and Mrs. J. Arthur Wray, left this afternoon.

WITHDRAWAL FROM MEXICO CONFIRMED

WAR DEPARTMENT SAYS THAT U. S. TROOPS ARE BACK

BANDIT LEADER ESCAPES

Renterio Declared to be Fifty Miles Out of Reach—Border Mapped

Washington, Aug. 25. — The withdrawal of the American punitive force from Mexico was confirmed in dispatches made public by the War Department today.

San Antonio, Texas, Aug. 25.—The American punitive expedition is back on American soil. Its search for bandits who kidnapped two American aviators ended when the hot trail was lost. The bandits have scattered and their leader, Renterio, is reported more than fifty miles south of the farthest point reached by the Americans. It is declared positively that he has been located at a ranch near San Pedro.

This informatin influenced the American army officers to withdraw, as there was no chance of overtaking him.

Headquarters, however, was well satisfied with the progress. All bandit gangs between the border and a point fifty miles beyond have been scattered. They have learned that merely swinging across the border no longer will furnish asylum from pursuit in the future.

All the mountain passes have been located and mapped by American aviators, with the result that future pursuits can be made much more quickly.

Miss Kittell Resigns.

Miss Willetta Kittell resigned as instructor in piano, organ, theory and history at the Conservatory of Music, and has accepted a position in the music department of the State Normal School in Ada, Okla. Miss Kittell left Maryville last Tuesday for a vacation visit in Fort Scott, Kan., and will go from there to Ada. During her two years' residence here Miss Kittell has served as organist at the First Methodist Church.

Raymond Loyd McClurg.

Mr. and Mrs. C. E. McClurg, living near Pickering, announce the birth, this morning, of a son, whom they have given the name of Raymond Loyd.

WEATHER FOR TODAY

Fair tonight and Tuesday.

Morning's Rainfall .46 inch.

Maryville almost had a rainstorm this morning. Early risers were greeted by lightning and low-hung clouds, and at 6 o'clock a sprinkle began that continued off and on for several hours. But nothing much came of it. The official measurement by the local weather man, J. R. Brink, was .46 of an inch. This makes the total August rainfall 1.19 inches. In July Maryville had 2.61 inches; in June 5.05; in May, 5.74; in April, 4.45.

WOOL GOODS

Unusual assortment of wool serge, poplin, garbardine, wool taffeta and batiste and novelty cloakings have been collected for the fall and winter season. New fall shades and novelty plaids are in this early collection.

SILKS

No wonder market reports inform us that silks are becoming more popular, scarcer and higher. Everybody is calling for silk until the demand has outstripped the supply.

We foresaw this condition, and prepared for it, therefore our fall assortment is large and includes all the leading weaves and colorings, and our prices are lower than the present market justifies.

Of special interest is a large assortment of fancy taffeta silk 36 inches wide in various colors, both in stripes and plaids, that have been assembled on a table in the east aisle, at the yard.....$2.49

Trimmings

The new braids, fringes, buttons, tassels and trimmings of all kinds in the newest effects are here in abundance and offers almost an endless variety to select from.

The wonderful assortment of new fall fabrics, trimmings, and sewing supplies, together with the McCall patterns and Fashion hints affords a service that should appeal to all home sewers.

McCall patterns Nos 9043, 9046 and 9044 illustrated here are very adaptable to silks, and are but a hint of the many fashions that await your inspection.

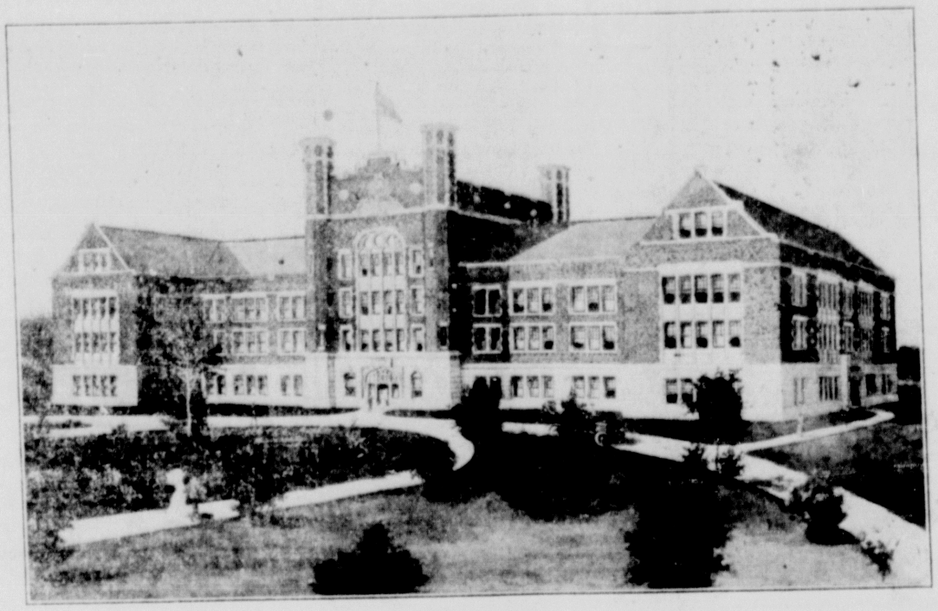
Now Is a Good Time To Drive Out Catarrh

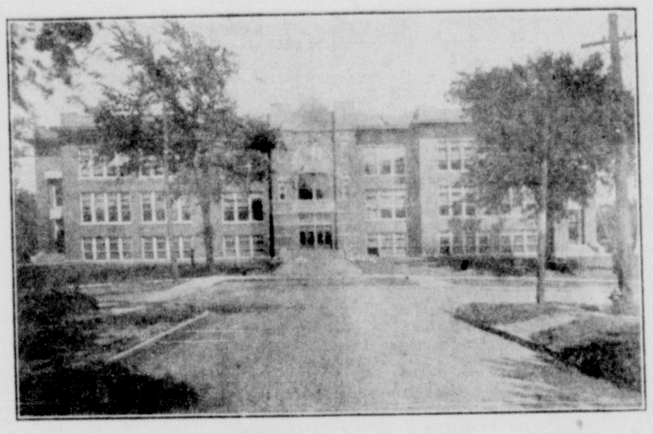
The Trouble Is in the Blood.

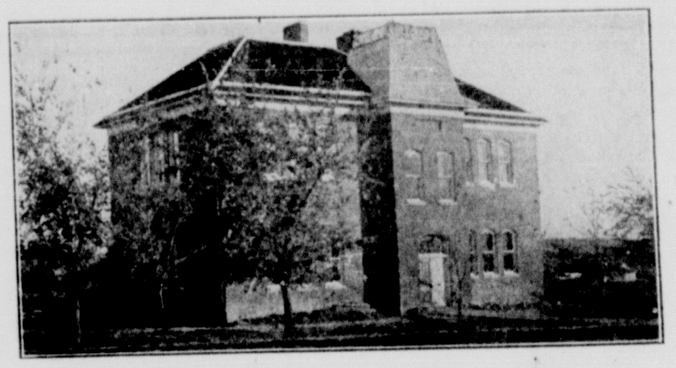
Summer catarrh, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter.

That's why it is so important to treat catarrh with S. S. S. during warm weather.

It is now an established fact that catarrh is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the root of the trouble. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Advisor about your case. Address Swift Specific Co., Dept. 53, Atlanta, Ga.







How Nodaway County is Laying the Foundation of a Future Super-Citizenry with Its Extraordinary Educational Advantages

GREAT as are Nodaway County's resources in soil, climate, markets, agricultural and livestock development, the provision she has made for the education of her youth stands prominently to the forefront as one of the most important of the advantages that attend a residence here.

It is a matter of tremendous importance that a good elementary school capably administered shall be within a short distance of every home in the county and that opportunity for high school instruction shall be convenient enough that every child may take advantage of this more advanced instruction without having to be removed from the guardianship of the parents. And it is equally advantageous to have located in the geographical center of that county a college where a course of instruction of full college rank is offered.

And Nodaway County offers to her people just such exceptional and outstanding educational advantages.

THE STATE TEACHERS COLLEGE

Is located in Maryville. It is one of the five great educational institutions supported by the state for the primary purpose of fitting young men and women for the teaching profession, but its teaching equipment is by no means confined to instruction in this field. The College offers a full academic course including over twenty distinct phases of subject matter and the graduate in this course is admitted to any university on an equal footing with the graduate from the academic course of that institution.

The students at the State Teachers College may select courses of study to suit their particular desires. They may specialize in education, commerce, manual training, home economics, agriculture, political economy, or a combination of these with the standard academic subjects as may best fit into their plans for their life work.

The College faculty is composed of men and women of the highest scholastic attainment, instructors who have given years of their lives in preparation for the great work of teaching. The school equipment is complete in every department and the College building is one of the best and most modernly appointed of any educational institution in the state.

The College property consists of 117 acres, a large part of which is given over to the agricultural department for experimental and instruction purposes, thus providing for its students an opportunity to study the science of agriculture under soil and climatic conditions identical with those under which they will work at home. In connection with the College and under the supervision of the department of agriculture is a state experiment farm where a representative from the State College of Agriculture co-operates with the College department head in conducting experiments for the benefit of the entire state.

THE COUNTY'S HIGH SCHOOLS

In addition to the high schools located in each of the fifteen towns of the county, there are a number of rural consolidated school districts where high schools are maintained, thus bringing to every community the opportunity for its youth to continue the school work after completing the course in the elementary district school.

In thirty-five of the rural schools the system of Vitalized Agriculture is being taught with marked success and so prominent is this work in the county that educational celebrities from all parts of the United States and one from South America have visited this county to observe the work and to plan for its incorporation in their own schools.

GOOD CHURCH SCHOOLS.

Each of the two Catholic church organizations in Maryville maintains a parochial school and there is another parochial school at Conception Junction, while at Conception, in the eastern part of the county, is located Conception College, one of the most prominent of the Catholic church schools in the middle west. At Clyde the Catholics also maintain a school for girls which is recognized as one of the leading academies in the state. This school is Scholastica Academy.

The Maryville Conservatory of Music is one of the well known schools in this section of the state where instruction is given in vocal and instrumental music by teachers of recognized ability.

It is not often that you find such outstanding educational advantages brought together in one county. Keep this in mind when you are being tempted to move to some other part of the country.

HADN'T ENJOYED MEAL IN TWO YEARS

Fire Fighter Has Big Appetite Since Taking Tanlac—Gains Twenty Pounds

"One of the boys at the Fire House put me on to this Tanlac and I have not only gotten rid of all my troubles, but I have gained twenty pounds in weight since I commenced taking it," said Thomas Audley, a popular member of the Kansas City Fire Department, and stationed at Hose Co. No. 4, and whose residence is 3939 East 13th Street, Kansas City, Mo., the other day.

"Before I took Tanlac," continued Mr. Audley, "I can't say that I really relished a single meal I ate for over two years. My appetite was so poor that I seldom ever wanted anything to eat. Then, my stomach was in such bad condition that what little I did eat would sour in my stomach and make me suffer like blue blazes for two or three hours after meals. I seldom ever ate any breakfast, and just had to force down what I ate at the other meals in order to keep up my strength. Sometimes after eating I would have terrible pains in the pit of my stomach, and gas would form and boalt me up so bad that I could hardly get a good breath. I was badly constipated all the time, and suffered constantly with a dull, mean headache, and just felt tired and sluggish all the time. I lost a lot in weight, and finally got so weak and rundown that I didn't feel very much like work.

"I tried about everything I knew or heard of that was recommended for my kind of trouble, but Tanlac is the only thing that has done just what they say it will do. And Tanlac did its work mighty well, too, for it has been several months now since I stopped taking it, and I haven't the slightest sign of my troubles coming back on me. My appetite is simply fine, and I not only eat a hearty breakfast every morning, but when the other two meals come on I am right there ready to eat again. I am never bothered with indigestion now, and in fact, my stomach seems to be in perfect condition, and my food never sours after meals. I have gained a great deal in weight and feel as well and strong as I ever did in my life. Tanlac is the best medicine I ever got my hands on and I am more than glad to take advantage of this opportunity to recommend it to everybody.

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Carter Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, and in Hopkins by Hopkins Drug Co." ADV.

HOW WEAK WOMEN ARE MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaperabout the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it for any weakness and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound as it keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. WESTMORELAND, Harrison, N.Y.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, and for special advice write to Lydia E. Pinkham Medicine Co., Lynn, Mass.

PRIZE LISTS SENT TO BOYS AND GIRLS

AGRICULTURAL AND DOMESTIC BULLETIN IS ISSUED.

SHOW HERE OCT. 23,24,25

Emphasis Placed on Corn Growing and Home Work Exhibits—$50 Offered for Best 50 Ears.

The bulletin announcing the annual contest of the Nodaway County Agricultural and Domestic Science Association was issued today by Bert Cooper, county superintendent of schools. The show will be held October 23, 24 and 25 in Maryville. The greatest emphasis is placed on the corn growing and domestic science exhibits, although there are also general classes for exhibits of grains, seeds, vegetables and fruits, not to speak of comb honey, cream cheese, butter, best notebook on vitalized agriculture and best compositions on "Cold Pack Canning" and some phase of this year's work in vitalized agriculture.

Entrance in all classes, except the general classes and the farmers' and corn breeders' class, is limited to those regularly enrolled in the association. In the corn growing contest for boys and the domestic science class, the contestants must be between 15 and 20 years old. The general classes are open to all boys and girls, men and women, of Nodaway County. The farmers' and corn breeders' contest is open to the State of Missouri.

Exhibits May Be Kept.

All exhibits, except sewing, may become the property of the association. Enrollment blanks will be furnished upon application. Free literature on seed corn selection, preparation of ground, cultivation of crop and caring for crop will be mailed to all who enter the contest.

In the boys' corn growing contest $10 is the sweepstakes prize for the best ten ears of corn. Five prizes in each class, running from $10 down to $1, are offered for the best ten ears of yellow corn and the best ten ears of white corn; class A is for boys from 10 to 14 years old; class B for those from 15 to 20.

Other classes are for the best single ear and also for winners of first prizes in previous shows. Prizes of $5, $3, $2 and $1 are offered for corn judging.

Two Places in Domestic Science.

First and second prizes only are offered in the domestic science work. These range from $4 and $2, offered for the best loaf of bread baked by a girl between 15 and 20, to $1.50 and 50 cents, offered for textile darning on a garment. The rural school having the largest exhibit of vitalized agricultural work will win $10.

In the farmers' and corn breeders' contest, the first prize for the best fifty ears of white or yellow corn, any variety, is $50. The best ten ears of Yellow Dent will win $10; of White Dent, $10; of any variety, $5.

Those desiring further information are advised to write or call any member of the executive committee at Maryville. The members are: Joseph Jackson, Jr., Paul Sisson, George A. Pickens, L. F. Metzler, James B. Robinson, and G. L. Wilfley. Miss Hettie Anthony is director of the domestic science department. Bert Cooper is manager and E. E. Williams is secretary and treasurer.

Judge Jesse Robertson has purchased the residence of John Behm on South Main street. The consideration was $6,500. The sale was made through G. B. Holmes.

GAYNOR DISTRICT ELECTS A PRINCIPAL AND BOARD

A meeting of the citizens of the Gaynor school district held yesterday made final arrangements for the organization of a two-year high school.

Miss Lela Cox of Grant City was elected principal of the high school. She is a university graduate, well qualified for the work.

The new school board is composed of the following members: William Sparks, president; Austin King and Frank Barton. Grant Munn is the new secretary-treasurer.

TWO MORE SUITS FILED FOR NEXT CIRCUIT COURT

Two suits were filed with the circuit clerk late Saturday. Charles H. Wilson brings suit against George B. Baker for breach of contract. The plaintiff alleges that there is due him from the defendant $323 on a land sale deal.

Minnie Allison and George E. Allison are plaintiffs in a suit brought against Leonard Whitten, et al, for partition of a property in Hopkins which is owned by the two parties in partnership.

COMETS WHIP CLEARMONT IN NINTH BY COUNT OF 7 TO 6

A small crowd had to stay until the last half of the ninth inning at the fair grounds yesterday in order to see the Maryville Comets whip the Clearmont team 7 to 6 in a see-saw game of baseball. A week ago at Clearmont the score was 9 to 3 in favor of Maryville.

With the score 6 to 6, Hise was first at bat for Maryville in the ninth. He walked. Bleuel went out on a foul fly to first base. Then Phillips hit safely to left field and when the ball got away from the fielder, Hise scored, although the decision was close on an excellent, though tardy throw-in.

Ryan started pitching for Maryville, but lasted only three innings. Maryville got one score in the first through a passed ball, but the third was a large inning. Clearmont counted five times, on a timely combination of hits and errors, and then Maryville made three tallies on a flock of hits, including a two-bagger by H. Buhler and a three-bagger by H. Black.

Maryville tied the count at 5-all by making one in the fifth; then Clearmont added another in the sixth and Maryville again tied it up in the last half of the same inning.

In the eighth, Clearmont got men on second and third, with no outs. Bleuel settled down and succeeded in disposing of the next three batters without allowing a score.

The lineup:

Clearmont—Newlon, 2b; Davis, ss; T. Lewis, lf; Caywood, c; Still, rf; Connors, p; Bayley, 3b; F. Lewis, 1b; Brownfield, cf.

Maryville—Phillips, 1b; H. Buhler, 2b; C. Black, cf; H. Black, c; Conley, ss; Scott, lf; P. Buhler, 3b; Hise, rf; Ryan, p; Bleuel, p.

Manager Black expects to have the unbeaten Tarkio team here for a game next Sunday. The small crowd yesterday discouraged the Maryville pilot a trifle, but he says that he means to have games here all through September if the attendance justifies the continuance of the team.

Maryville's record this season at home is eight won and four lost; away from home, three won and one lost. This is a percentage of .687.

POLICEMEN MAY BE ARRESTED IN CONNECTION WITH RIOTS

Chicago, Aug. 25.—The arrest of several policemen was forecast in the investigation which the state's attorney is making on the police department, after his charges Saturday that the recent race riots were due to cheap grafting and petty politics. One policeman is in jail, charged with having accepted $800 of a slush fund raised by the negroes of the black belt for the prosecution of negroes engaged in the rioting.

200 KNIGHTS OF COLUMBUS BANQUET

VISITORS FROM OUT OF TOWN ATTEND LOCAL INITIATION

C. W. YEHLE TOASTMASTER

Several Addresses Made—Thirty-five Members Received Three Degrees of Order

Two hundred members, old and new, of the Knights of Columbus banqueted at the Bainum Hotel from 7 o'clock until 10:30 last night. The occasion was in the nature of a welcome for the thirty-five members initiated yesterday in three degrees.

C. W. Yehle was toastmaster and master of ceremonies. After a prayer by Rev. Fr. Joachim of Conception and an address of welcome, Mr. Yehle took up the proposed improvements for the St. Francis hospital. Mr. Yehle spoke of the importance of the hospital in conserving the health of the people of the community and the devotion of the sisters. He said that the Commercial Club had recognized the importance of the institution and had voted to give its wholehearted support to the campaign for raising funds for the extension and improvement of the equipment of the hospital. He asked the co-operation of the entire body of the Knights of Columbus with the sisters in their campaign for funds.

The next speaker on the program was Luke E. Hart, state deputy of the Knights of Columbus. Mr. Hart spoke of the work of the order in the recent war and of its plans for the future. He complimented the loyal support of the local order and congratulated the old members upon the success of their campaign for new members.

Father Joachim made an impressive talk. He urged the members to greater efforts in the future.

J. J. Tushaus of St. Joseph, district deputy of the Knights of Columbus, made the final talk of the evening. He confined his remarks largely to matters dealing with the strengthening of the organization and the perfecting of its ideals.

Music was furnished by Schumacher's orchastra. Misses Anna Collins and Bess Scott sang several solos specially selected for the entertainment. Ralph Yehle gave violin selections.

HENRY HAWK TAKEN TO JAIL IN GRANT CITY

The following is from Saturday's St. Joseph News-Press about Henry Hawk, who is well known here:

Henry Hawk, in custody of J. B. Matteson, deputy sheriff of Worth county, and with his hands in "cuffs" and his legs in shackkles, was brought into central police station this morning for safekeeping until this afternoon, when he will be taken on to Grant City, Mo., where he is wanted for breaking jail. He was arrested at Plattsburg, Mo., with tho others for investigation in connection with the theft of a motor car.

Hawk escaped from the Worth county jail July 4. It was broad daylight when a jailer brought him his dinner; the door was open, so Hawk just knocked the jailer down and left, it is charged. He had only been in the jail a week, having been brought back from Oklahoma at his own request, after seeing a cellmate beaten insensible.

While Hawk was in the jail at Plattsburg with his two companions—one of them "Pewee" Jackson, a St. Joseph boy—a jail break was attempted. A hole was made in the wall of the cell, and Jackson was in the act of going through it when he was hit on the head with a brick thrown by a guard. Jackson was knocked unconscious, and when he fell he so blocked the hole that no one could get by him. The authorities at Plattsburg were unable to "get anything on" the three men.

Hawk has been arrested many times by the St. Joseph police, but so far nothing has ever been proved against him. He is considered one of the slickest "operators" in this part of the country, and his favorite way of passing the time when locked up at central is to joke the police officers about their inability to "frame" him.

Mr. and Mrs. W. J. Wilson and Misses Lucy and Mildred Kienzel returned Saturday night from a week's visit in Kansas City and St. Joseph. The Misses Kienzel also visited in Independence as the guests of Miss Kogic Davis.

CONGRESS EXPECTS TO GRANT $2,400,000 TO FIGHT PRICES

Appropriations Committee, However, May Refuse Other Departments Money

Washington, Aug. 25. — Attorney General Palmer will be granted a fund of $2,400,000 with which to fight the profiteers, but the requests of the departments of labor, commerce and agriculture for special funds will be turned down by congress, according to members of the House appropriations committee today.

MAYOR AN ENGINEERING GENIUS

SAVES LONG DROUTH IN CITY BY EMERGENCY INVENTION.

WATER OFF SEVEN HOURS

Nut Stripped From Pump Valve Is Heated to High Temperature and Shrunk Back into Place.

By an unusual feat of emergency engineering on the part of Mayor W. O Garrett and his workers at the city pumping station this morning, a prolonged drouth for the users of the city water system was prevented.

About 2 o'clock this morning a nut that holds the valve on the water end of the big pump at the station was stripped completely off, and the pump ceased to function. The mayor was called from his bed at 4 o'clock to the scene of the trouble and immediately began to use his inventive genius to remedy the disabled piece of machinery.

After turning over various possibilities in his mind, he struck upon an idea. This was to heat the nut to a high temperature, thrust it upon the end of the valve and let it cool in that position. It was tried. In the process of cooling the nut shrunk to such a degree that it became firmly fastened upon the valve end, so firmly that it will be almost impossible for it ever to slip off again.

At 9:30 o'clock this morning the water was turned on again. The mayor says that, unless trouble breaks out in some unexpected place, the machinery will hold out until the improvements are installed.

The city hall telephone was busy for a long time this morning. Everybody wanted to know what had happened to the water.

BANQUET FOR FRATERNITY MEN TO BE HELD TONIGHT

A Pan-Hellenic banquet will be held at 8 o'clock tonight at the Bainum Hotel. Practically every fraternity man in Maryville will be in attendance, together with a few from nearby communities.

The committee in charge has met with a marked success in all its solicitations. Although the banquet will be of an informal get-together affair, a short program has been arranged, with Dr. F. R. Anthony presiding as toastmaster.

The program is as follows:

1. "Fraternities: Are They Democratic or Undemocratic?" — W. N. Deatherage.
2. "Reminiscences and Campus Escapades"—Free for All.
3. "Importance of Pan-Hellenic Organization"—Fred Wolfers.
4. Discussion.

The following "Greeks" will be in attendance:

Beta Theta Pi—Fred Wolfers, Robert Wolfers, Bruce Montgomery, Howard Martin.

Delta Tau Delta—W. N. Deatherage.

Kappa Sigma—Forrest Gillam, Harold Ryan, Earl Miller.

Pi Kappa Alpha — Halley Ford, Philip Colbert.

Sigma Alpha Epsilon—Clifford Coile, Rolla Howden.

Sigma Nu—Ira K. Richardson, Arthur Noid.

Phi Gamma Delta—Jesse Miller, Jr., Clarence Vogt, Byron Costello.

Phi Delta Theta—F. R. Anthony.

Phi Kappa Psi — Eugene Yehle, Claude Glass.

Alpha Kappa Kappa — John Owen Murrin.

Atlas—W. W. Turner.

Sigma Delta Chi — Charles Kane, Herschel Colbert.

Kappa Phi—Loren Price.

Phi Beta Pi—Dr. Charles T. Bell, Ruskin Hawkins.

Psi Omega—Dr. Jesse Miller, Dr. D. J. Thomas.

HE HAS FOUR GOLD SERVICE STRIPES

COUNT 'EM ON SLEEVE OF DR., NOW CAPTAIN, C. M. CLINE

26 MONTHS OVERSEAS

Maryville Veterinarian Started Out With First Division—Hopes to Resume Practice Here

Maryville is getting its first glimpse of four gold service stripes today, when Dr. C. M. Cline—beg pardon, Captain Cline—is visiting Dr. James Felix, with whom he was associated before joining the army. Doctor Cline, a resident of Maryville from 1910 to 1917, has been twenty-seven months in service, all but one month of them overseas.

Doctor Cline was commissioned a second lieutenant in the United States veterinary service at Fort Sam Houston, Texas, June 1, 1917. He reported to the Fifth Field Artillery of the First Division and went overseas with that organization in July, 1917. He went to the front as a veterinarian with the first battalion of the First Division in October, 1917, and spent five months at the front.

In February, 1918, Doctor Cline was assigned to the first American veterinary hospital at Neufchateau, where he did surgical work for several months. He went back to the front for two months in the spring. Later he was a veterinarian with the remount service until August. Then he transferred to headquarters at Tours as assistant chief veterinarian of the A. E. F.

Still later he was transferred to the advanced veterinary hospital, the largest in France, where he was made captain. He skipped the customary first lieutenancy. This hospital had a capacity of 3,500 horses, but frequently 5,000 were accommodated. Captain Cline commanded there nine months.

From this post, Captain Cline went to headquarters at Paris for two months. He sailed the ninth of August from Brest, landed August nineteenth, is now in Maryville on leave, and will be discharged from the army about September 4 at Camp Dodge, Des Moines, Ia.

Captain Cline expects to return to Maryville to resume his practice as a veterinarian.

As a traveler, the Maryville man won laurels. He has been in France, Germany, Italy, Sicily, Spain, Belgium, Scotland, Ireland and England. He sailed from Liverpool, England, but his ship, the Niederlander, was ordered back to France so that the sailors might have their customary ten-day vacation before their final voyage. Capt. Cline, when he sailed from Brest, saw the ships ready to bring the First Division, the last American division, home from France.

MRS. HARRIETTA HUNT DIED AT 9 O'CLOCK LAST NIGHT

Death Comes to Aged Woman at Her Daughter's Home, Mrs. Willis Wilcox of Orrsburg

Mrs. Harrietta Hunt, aged 90 years, died at the home of her daughter, Mrs. Willis Wilcox, living near Orrsburg, at 9 o'clock last night. Failing health, due to her age, was the cause of her death.

The funeral services will be held tomorrow morning at 11 o'clock at the home of Mrs. Willis Wilcox. The Rev. R. C. Green of the Harmony church will officiate at the services.

Mrs. Hunt is survived by five children, four of whom were at her bedside at the time of her death. They are: Mrs. Willis Wilcox of Orrsburg; Mrs. Alfred Hunt, Orrsburg; Virgil Hunt, Ravenwood; Mrs. Ida Case of St. Joseph, and Morton Hunt of Colorado. Mrs. Ida Case was unable to reach the bedside of her mother before her death and will not be present at the funeral services.

WESTERN COAST RAILROAD STRIKE BECOMES ACUTE

Los Angeles, Cal., Aug. 25—All steam railroad transportation in and about Los Angeles was at a standstill today with the exception of three overland trains from the East which railroad officials hoped to get into the city before midnight. Not a passenger or a freight train has moved, and the congestion rapidly is becoming acute. The strike was said to have extended as far east as Needles, Ariz., with the possibility of its extending farther east.

RURAL TEACHERS' MEETING TO BEGIN HERE TOMORROW

2-Day Sessions Will be Held at High School — County Boards Gather, Too

All is in readiness for the annual two-day session of the teachers and school boards of Nodaway county, which will be held at the high school building in Maryville, beginning at 9:30 o'clock tomorrow morning. The principal addresses will be made by Superintendent W. M. Oakerson of the Jefferson City schools, formerly Nodaway county superintendent; by Dr. Ira Richardson, president of the State Teachers College, and by Dean G. H. Colbert of the State Teachers College.

This is the big educational conference of the year for the rural teachers. The members of the county school boards will meet with Superintendent Bert Cooper the first day only.

GEORGES G. QUIET, RENEGADE FRENCHMAN, UP FOR TREASON

Paris, Aug. 25.—One of the most sensational trials growing out of the war was scheduled to start here today with the arraignment of M. Georges G. Quiet, renegade Frenchman, before a court martial for denouncing the nurse, Edith Cavell, to the Germans in Belgium. The specific charge against Quiet is treason.

THIRD DIVISION BOYS ARRIVE.

Word has been received of the arrival in the states of two Nodaway county boys who have been in service since the summer of 1917. Sgt. Chas. F. Hoshor, Co. I, 4th Infantry, Third Division, landed at Newport Saturday, according to a telegram received by his parents that afternoon.

Ray O'Grady, son of Mr. and Mrs. Dan O'Grady, living west of Maryville, has sent word of his arrival at Camp Merritt Saturday. He was a member of the 3rd division. Several other fellows who joined the army about the same time that these fellows did and were in the Army of Occupation with them, but from whom no word has been received yet, are Ralph Folden, Garland Hedrick, Lester Swearingen, Loren Bagley and John Gau.

Oakersons Visit Here.

Prof. and Mrs. Wm. Oakerson and little daughter, Frances Katherine, of Jefferson City, who have been visiting Mrs. Oakerson's father, George Hartman, and other relatives, will leave tomorrow afternoon for their home. Prof. and Mrs. Oakerson and daughter spent last week in Skidmore with his parents, Mr. and Mrs. A. T. Oakerson, and also visited his brother, A. L. Oakerson, and family, near Maryville. Prof. Oakerson is superintendent of the Jefferson City schools.

Mrs. Helen Hopkins and Miss Carrie Hopkins left this afternoon for Excelsior Springs where they will spend ten days. They were accompanied as far as St. Joseph by Charles Hudson and son, Charles, of Norfolk, Nebr., who will visit Mr. and Mrs. A. A. Hopkins.

Walter Wray of Ada, Okla., who has been spending a week here with his parents, Mr. and Mrs. J. Arthur Wray, left this afternoon.

WITHDRAWAL FROM MEXICO CONFIRMED

WAR DEPARTMENT SAYS THAT U. S. TROOPS ARE BACK

BANDIT LEADER ESCAPES

Reuterio Declared to be Fifty Miles Out of Reach—Border Mapped

Washington, Aug. 25. — The withdrawal of the American punitive force from Mexico was confirmed in dispatches made public by the War Department today.

San Antonio, Texas, Aug. 25.—The American punitive expedition is back on American soil. Its search for bandits who kidnapped two American aviators ended when the hot trail was lost. The bandits have scattered and their leader, Reuterio, is reported more than fifty miles south of the farthest point reached by the Americans. It is declared positively that he has been located at a ranch near San Pedro.

This informatin influenced the American army officers to withdraw, as there was no chance of overtaking him.

Headquarters, however, was well satisfied with the progress. All bandit gangs between the border and a point fifty miles beyond have been scattered. They have learned that merely swinging across the border no longer will furnish asylum from pursuit in the future.

All the mountain passes have been located and mapped by American aviators, with the result that future pursuits can be made much more quickly.

Miss Kittell Resigns.

Miss Willetta Kittell resigned as instructor in piano, organ, theory and history at the Conservatory of Music, and has accepted a position in the music department of the State Normal School in Ada, Okla. Miss Kittell left Maryville last Tuesday for a vacation visit in Fort Scott, Kan., and will go from there to Ada. During her two years' residence here Miss Kittell has served as organist at the First Methodist Church.

Raymond Loyd McClurg.

Mr. and Mrs. C. E. McClurg, living near Pickering, announce the birth, this morning, of a son, whom they have given the name of Raymond Loyd.

WEATHER FOR TODAY

Fair tonight and Tuesday.

Morning's Rainfall .46 Inch.

Maryville almost had a rainstorm this morning. Early risers were greeted by lightning and low-hung clouds, and at 6 o'clock a sprinkle began that continued off and on for several hours. But nothing much came of it. The official measurement by the local weather man, J. R. Brink, was .46 of an inch. This makes the total August rainfall 1.19 inches. In July Maryville had 2.61 inches; in June 5.05; in May, 5.74; in April, 4.45.

Stylish Garments

Easily Made at Home

YOU can create garments that will meet your individual requirements by taking advantage of our home sewing service.

9043 9045-9044

WOOL GOODS

Unusual assortment of wool serge, poplin, garbardine, wool taffeta and batiste and novelty cloakings have been collected for the fall and winter season. New fall shades and novelty plaids are in this early collection.

SILKS

No wonder market reports inform us that silks are becoming more popular, scarcer and higher. Everybody is calling for silk until the demand has outstripped the supply.

We foresaw this condition, and prepared for it, therefore our fall assortment is large and includes all the leading weaves and colorings, and our prices are lower than the present market justifies.

Of special interest is a large assortment of fancy taffeta silk 36 inches wide in various colors, both in stripes and plaids, that have been assembled on a table in the east aisle, at the yard.....$2.49

Trimmings

The new braids, fringes, buttons, tassels and trimmings of all kinds in the newest effects are here in abundance and offers almost an endless variety to select from.

The wonderful assortment of new fall fabrics, trimmings, and sewing supplies, together with the McCall patterns and Fashion hints affords a service that should appeal to all home sewers.

McCall patterns Nos 9043, 9046 and 9044 illustrated here are very adaptable to silks, and are but a hint of the many fashions that awaits your inspection.

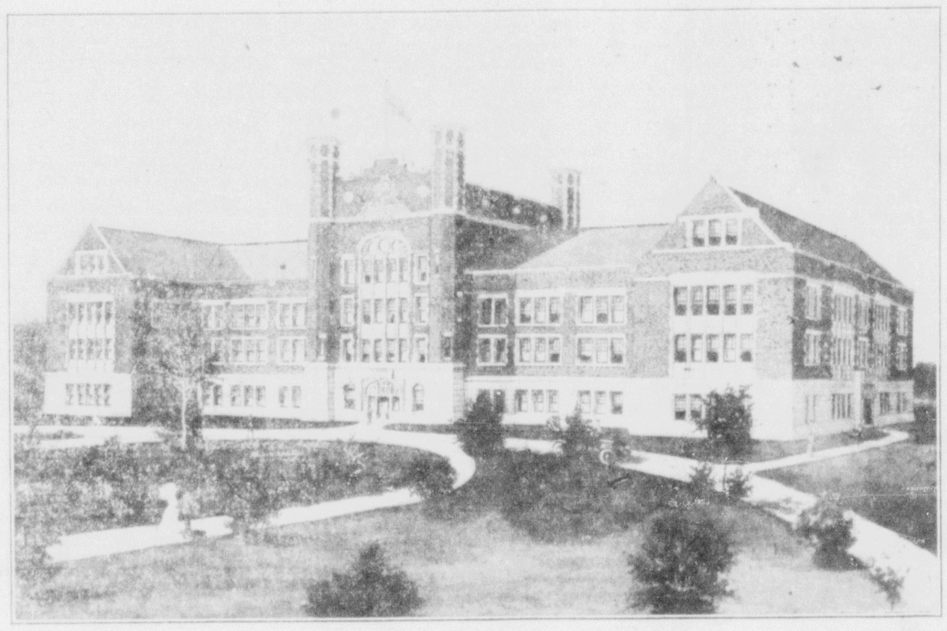
Now Is a Good Time To Drive Out Catarrh

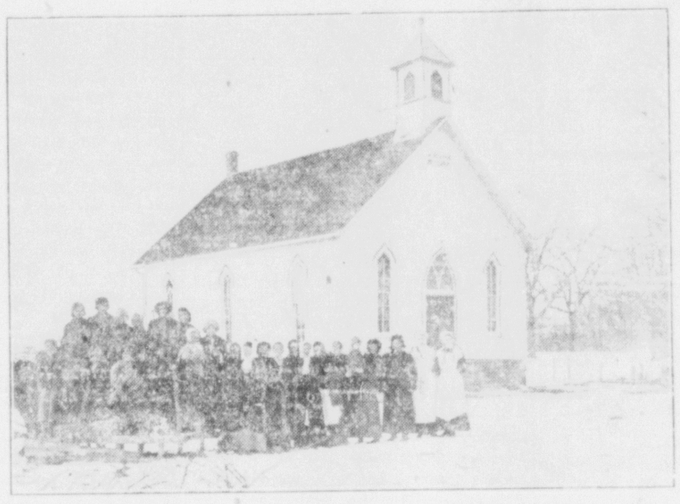
The Trouble Is in the Blood.

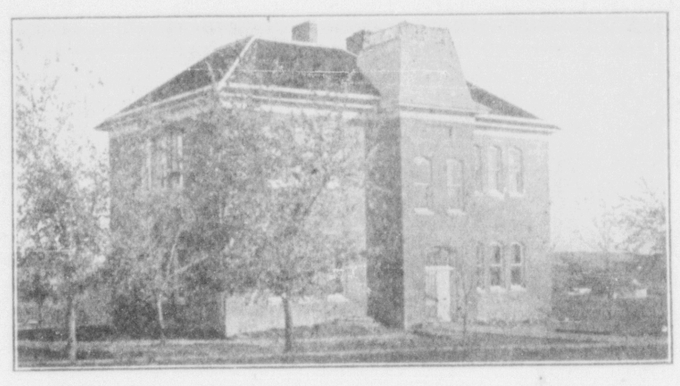
Summer catarrh, with its nauseous discharge, stuffed up glands, difficult breathing, and summer colds, is bad enough, but the worst of it is yet to come if you neglect to check the growth that is forming to attack you with ten-fold greater power during the winter.

That's why it is so important to treat catarrh with S. S. S. during warm weather.

It is now an established fact that catarrh is in the blood and that lotions and salves do not give relief. The experience of others has proven that S. S. S. strikes at the root of the trouble. Waste no time in this matter, for it is of the utmost importance. Write to our Medical Advisor about your case. Address Swift Specific Co., Dept. 53, Atlanta, Ga.







How Nodaway County is Laying the Foundation of a Future Super-Citizenry with Its Extraordinary Educational Advantages

GREAT as are Nodaway County's resources in soil, climate, markets, agricultural and livestock development, the provision she has made for the education of her youth stands prominently to the forefront as one of the most important of the advantages that attend a residence here.

It is a matter of tremendous importance that a good elementary school capably administered shall be within a short distance of every home in the county and that opportunity for high school instruction shall be convenient enough that every child may take advantage of this more advanced instruction without having to be removed from the guardianship of the parents. And it is equally advantageous to have located in the geographical center of that county a college where a course of instruction of full college rank is offered.

And Nodaway County offers to her people just such exceptional and outstanding educational advantages.

THE STATE TEACHERS COLLEGE

Is located in Maryville. It is one of the five great educational institutions supported by the state for the primary purpose of fitting young men and women for the teaching profession, but its teaching equipment is by no means confined to instruction in this field. The College offers a full academic course including over twenty distinct phases of subject matter and the graduate in this course is admitted to any university on an equal footing with the graduate from the academic course of that institution.

The students at the State Teachers College may select courses of study to suit their particular desires. They may specialize in education, commerce, manual training, home economics, agriculture, political economy, or a combination of these with the standard academic subjects as may best fit into their plans for their life work.

The College faculty is composed of men and women of the highest scholastic attainment, instructors who have given years of their lives in preparation for the great work of teaching. The school equipment is complete in every department and the College building is one of the best and most modernly appointed of any educational institution in the state.

The College property consists of 117 acres, a large part of which is given over to the agricultural department for experimental and instruction purposes, thus providing for its students an opportunity to study the science of agriculture under soil and climatic conditions identical with those under which they will work at home. In connection with the College and under the supervision of the department of agriculture is a state experiment farm where a representative from the State College of Agriculture co-operates with the College department head in conducting experiments for the benefit of the entire state.

THE COUNTY'S HIGH SCHOOLS

In addition to the high schools located in each of the fifteen towns of the county, there are a number of rural consolidated school districts where high schools are maintained, thus bringing to every community the opportunity for its youth to continue the school work after completing the course in the elementary district school.

In thirty-five of the rural schools the system of Vitalized Agriculture is being taught with marked success and so prominent is this work in the county that educational celebrities from all parts of the United States and one from South America have visited this county to observe the work and to plan for its incorporation in their own schools.

GOOD CHURCH SCHOOLS.

Each of the two Catholic church organizations in Maryville maintains a parochial school and there is another parochial school at Conception Junction, while at Conception, in the eastern part of the county, is located Conception College, one of the most prominent of the Catholic church schools in the middle west. At Clyde the Catholics also maintain a school for girls which is recognized as one of the leading academies in the state. This school is Scholastica Academy.

The Maryville Conservatory of Music is one of the well known schools in this section of the state where instruction is given in vocal and instrumental music by teachers of recognized ability.

It is not often that you find such outstanding educational advantages brought together in one county. Keep this in mind when you are being tempted to move to some other part of the country.

HADN'T ENJOYED MEAL IN TWO YEARS

Fire Fighter Has Big Appetite Since Taking Tanlac—Gains Twenty Pounds

"One of the boys at the Fire House put me on to this Tanlac and I have not only gotten rid of all my troubles, but I have gained twenty pounds in weight since I commenced taking it," said Thomas Audley, a popular member of the Kansas City Fire Department, and stationed at Hose Co. No. 4, and whose residence is 3939 East 13th Street, Kansas City, Mo., the other day.

"Before I took Tanlac," continued Mr. Audley, "I can't say that I really relished a single meal I ate for over two years. My appetite was so poor that I seldom ever wanted anything to eat. Then, my stomach was in such bad condition that what little I did eat would sour in my stomach and make me suffer like blue blazes for two or three hours after meals. I seldom ever ate any breakfast, and just had to force down what I ate at the other meals in order to keep up my strength. Sometimes after eating I would have terrible pains in the pit of my stomach, and gas would form and boalt me up so bad that I could hardly get a good breath. I was badly constipated all the time, and suffered constantly with a dull, mean headache, and just felt tired and sluggish all the time. I lost a lot in weight, and finally got so weak and rundown that I didn't feel very much like work.

"I tried about everything I knew or heard of that was recommended for my kind of trouble, but Tanlac is the only thing that has done just what they say it will do. And Tanlac did its work mighty well, too, for it has been several months now since I stopped taking it, and I haven't the slightest sign of my troubles coming back on me. My appetite is simply fine, and I not only eat a hearty breakfast every morning, but when the other two meals come on I am right there ready to eat again. I am never bothered with indigestion now, and in fact, my stomach seems to be in perfect condition, and my food never sours after meals. I have gained a great deal in weight and feel as well and strong as I ever did in my life. Tanlac is the best medicine I ever got my hands on and I am more than glad to take advantage of this opportunity to recommend it to everybody.

"Tanlac is sold in Maryville by Koch Pharmacy, in Conception Junction by A. M. Colly, in Pickering by H. M. Lincoln, in Burlington Junction by Carter Pharmacy, in Barnard by Bear Drug Co., in Elmo by King Drug Co., in Clearmont by Dr. W. H. Wiley, in Ravenwood by C. A. Shunk, in Arkoe by Rufus R. Smith, and in Hopkins by Hopkins Drug Co." ADV.

That "all in" feeling so common in hot weather is not due to heat alone, but to an unhealthy condition in the liver, stomach and bowels. To prevent a spell of sickness take Prickly Ash Bitters. Men find it excellent as a system cleanser and regulator. Price $1.25 per bottle. Maryville Drug Co. (Adv)

HOW WEAK WOMEN ARE MADE STRONG

Mrs. Westmoreland Tells in the Following Letter.

Harrison, N. Y.—"When my first child was born I did not know about Lydia E. Pinkham's Vegetable Compound and had a very hard time. I read in the newspaper about the Vegetable Compound and when my second child came I took it and was well during the whole time, and childbirth was a hundred times easier. Ever since then I have used it for any weakness and would not be without it for the world. I do all my work and am strong and healthy. I am nursing my baby, and I still take the Vegetable Compound as it keeps a woman in good health. You may publish my testimonial for the good of other women, if you choose to do so."—Mrs. C. WESTMORELAND, Harrison, N. Y.

Women who suffer from displacements, irregularities, inflammation, ulceration, backache, headaches and nervousness should lose no time in giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, and for special advice write to Lydia E. Pinkham Medicine Co., Lynn, Mass.
